Visit the Holcombe Jimison Farmstead Museum on Sunday August 15, 2021 from 12-4pm and enjoy some good old fashioned farmstead fun at Corn Fest! We are celebrating the favorite crop of summer-CORN.

Play corn hole, hand-grind corn to feed the chickens, make a corn husk doll, milk a (pretend) cow, use a rope winder to make a friendship bracelet or even a jump rope. Come and see all the tools of our agricultural heritage and learn about the agricultural innovation that originated right here in NJ! The homestead, the 1711 House is the oldest deeded home in Hunterdon County NJ

NJ State 4H Dairy bowl members will be hosting a concession stand featuring corn on the cob, hotdogs, drinks, chili and other goodies!

Bring a chair or blanket to enjoy the unrepentant honky tonk and western sounds of Moss Henry and the Brophytes who will be playing from 2-4 pm. Come for lunch, stay for the music!

Check out the International Culinary Herb Garden tended by the Herb Society of America-Delaware Valley Unit while you're here!

Fun for the entire family! Admission perperson, \$5, children 5 and under are free. Family membership available for \$25.
