

The Union Forge Heritage Association Presents:

Volunteer Orientation Day 2019
March 30, 1-3pm at our museum
Become a partner in Historic Preservation
and Environmental awareness initiatives

Restoration Projects: Substantial restoration work has already been completed at the 1760 Turner House, but more remains to be done both inside and out. Share your skills and partner with us in restoring our historic structures for adaptive re-use, including our 19th century Carriage House and 18th century Spring House.

Program Development: Interested in becoming a museum docent? Developing new events or historic research? Come learn about past projects and future initiatives currently being developed at our museum. Share your interests and work with our dedicated team to develop new programs! The historic Turner House and property provides the perfect venue for large public events or small lectures.

Environmental: Have a green thumb? Want to learn more about what was in a Colonial Herb garden and why we are creating a pollinator meadow? Come learn about these and many more “growing” projects at the Turner House and our extensive property. Be part of our Grow-it Group !

The Union Forge Heritage Association is a 501(c)(3) non-profit corporation
