

# East Amwell Township Historical Society Annual Holiday House Tour

***Sunday, December 7th at 1pm***

## **TICKETS NOW ON SALE FOR THE ANNUAL HISTORIC HOLIDAY HOUSE TOUR**

Don't wait, because tickets are going fast for the East Amwell Historical Society Annual Holiday House Tour! This year we have four great houses, each unique and interesting.

- ❖ We will visit a newly renovated 1749 farm house that mixes old timber frame construction with contemporary openness. The architect owners have added a spacious family kitchen with cathedral ceiling overlooking the Back Brook and a gallery link to the studio/garage, encompassing a private deck.
- ❖ Next will be one of the earliest houses in the township with a 15' cut stone, walk-in fireplace, winding staircase to a loft above, and a new country kitchen. Behind this home, a post and beam barn -- moved from Linvale -- has been re-erected by the New Jersey Barn Company.
- ❖ Then, we move on to an incredible house filled with antiques that was built in 1912 on a foundation from an earlier house which was destroyed in a fire. Recent built-ins, moldings and a wonderful airy look and feel make this house special. Please don't let their white cat Skeezics out!
- ❖ Finally we will finish the tour at a three-story stone barn/house which has recently undergone a total renovation. While waiting to enter, you'll see the homeowner's craft shed and go into an adjoining barn that may have the largest beams in the township.

At the conclusion of the tour, we will all meet at the historic Harvest Moon Inn for coffee and dessert. Tickets are \$25 each. Reservations can be made by calling Pauline Seramba at 908-797-9024 or at [pseramba@Hotmail.com](mailto:pseramba@Hotmail.com).
