

TRICENTENNIAL WREATH

In celebration of the holidays, the 300th has contributed a special **Tricentennial Wreath to the Red Mill's Festival of Trees** being held between November 28 and December 7.

All decorated wreaths and trees will be auctioned off (see their website at www.theredmill.org for details).

The 300th wreath features the official seals of all 26 municipalities,

our lapel pins on the ribbon, a mini county flag and our large official logo in the middle which is a cleverly placed t-shirt!

A special shout out to super volunteers Ann Marie Queeney, Kendra Schroeder and Ceil Covino for their above and beyond help on this project
